SETTING UP APPLICATION ENVIRONMENT

CREATE IBM CLOUD ACCOUNT:

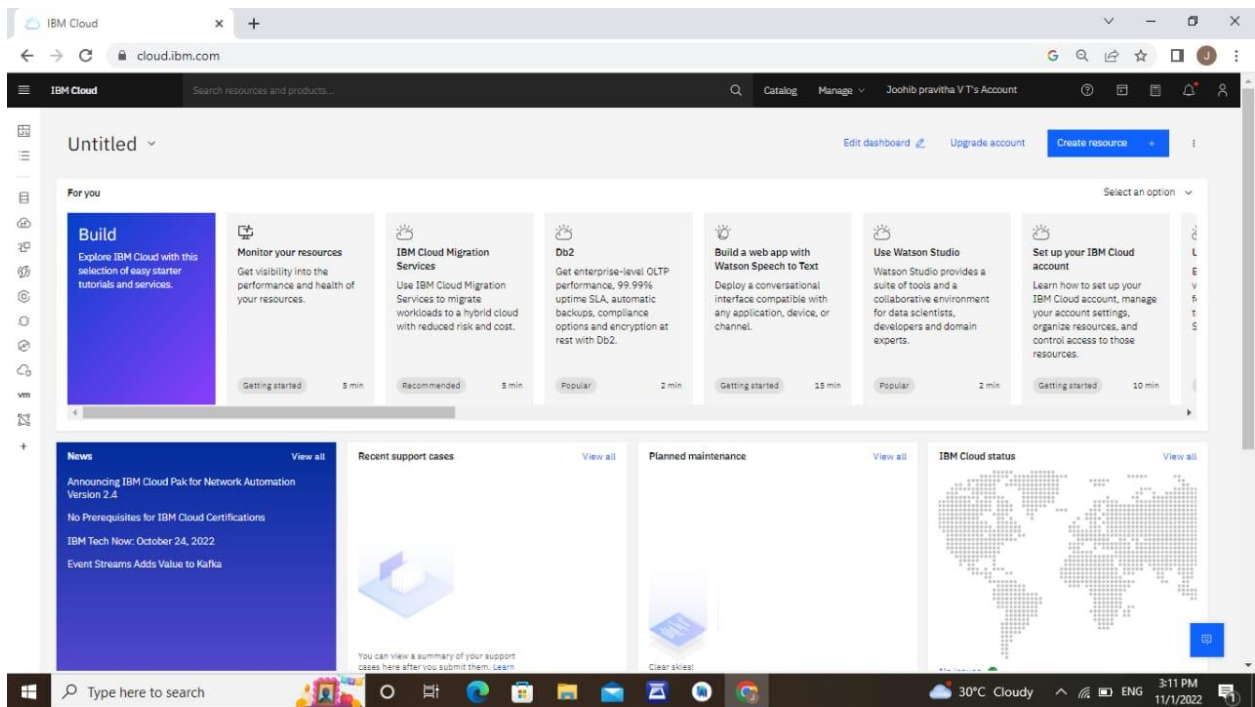

Team leader:

Team member1:

The screenshot displays the IBM Cloud user interface. At the top, a dark navigation bar contains the 'IBM Cloud' logo, a search bar, and links for 'Catalog', 'Manage', and the user's account 'Anand Raj D P's Account'. Below this, the main dashboard area is titled 'Dashboard' and includes links to 'Edit dashboard' and 'Upgrade account'. A prominent blue button labeled 'Create resource' is located in the top right of the dashboard. The central section, titled 'For you', features a horizontal carousel of six cards. The first card, 'Build', has a blue background and promotes easy starter tutorials. The other five cards are light gray and represent various Watson services: 'Get Started with Watson Studio' (15 min), 'Get started with machine learning + Watson Studio' (10 min), 'Build with Watson' (3 min), 'Build a web app with Watson Speech to Text' (15 min), and 'Use Speech to Text' (2 min). Each card includes a 'Popular' tag and a duration. The bottom of the dashboard is divided into four sections: 'News' (highlighted in blue with a 'View all' link), 'Recent support cases' (with a 'View all' link), 'Planned maintenance' (with a 'View all' link), and 'IBM Cloud status' (with a 'View all' link and a world map visualization).
